

The American Chemical Society, The California
Section of the ACS, SAACS at CSU Chico,
and CSU Chico's Department of Chemistry
and Biochemistry present:

Science Cafe: Harnessing the Power of Evolution to do Chemistry: a Presentation About the 2018 Nobel Prize in Chemistry.

**ARTS
112**

5:00pm
Finger Foods
provided

**Thurs.
Jan. 31
5:00 pm**

**Dr. Daniel
Edwards**

Dr. Dan Edwards will be giving a presentation about the recent Nobel Prize awarded in Chemistry. Frances H. Arnold, George P. Smith, and Sir Gregory P. Winter were awarded the Prize for their work that "harnessed the power of evolution" to benefit humanity.
