

Chemists Celebrate Earth Week (CCEW)

TAKE NOTE: THE CHEMISTRY OF

PAPER

Celebrate with the California Section, ACS

Have fun with the Chemistry of PAPER. Join us for fun demonstrations and free hands-on activities for the whole family.

Take home cool CCEW souvenirs and the Celebrating Chemistry brochure (in English or Spanish) with instructions for more activities to do at home.

**Saturday, April 20
from 10 AM to 4 PM**

www.calacs.org

**John Muir National
Historic Site**

**4202 Alhambra Ave,
Martinez, CA**

The John Muir Birthday Celebration opens with a parade and a dramatic presentation on the life of naturalist John Muir. It continues throughout the day with a festival featuring over 50 exhibitors that showcase community organizations and conservation groups dedicated to preserving the environment.
