

PROTECTING OUR PLANET THROUGH

Chemistry

Join the California Section
of the American Chemical
Society to celebrate
Earth Day!

Date: Saturday, April 18, 2020

Time: 10 AM to 4 PM

Place: John Muir National Historic
Site in Martinez, CA

We'll have demonstrations and fun hands-on activities related to the ACS Earth Day 2020 theme, "**Protecting our Planet through Chemistry.**"

Take home Celebrating Chemistry brochures (in English and Spanish), instructions for fun things to do at home, and other cool souvenirs.

For more information, please email us at sushila.kanodia@gmail.com or office@calacs.org.
