California Section of American Chemical Society

Our section promotes chemistry and the chemical profession in the Northern California area: We provide programs and services for members, recognize and assist educators and students, and host public outreach events to convey the importance of chemistry in today's rapidly changing technological society.

THE VORTEX

Education and Public Service

ACS CORE VALUES

Passion for Chemistry
and the Global Chemistry
Enterprise

Focus on Members

Professionalism, Safety, and
Ethics

Diversity, Equity, Inclusion, and
Respect
